

Is it right to say that the Bible is entirely written with the inspiration of Almighty (Yahweh) God considering there are contradictions in it?

Yes the Bible is written by the inspiration of God but no there are not contradictions in the Bible. There may be paradoxes in the Bible . But a Paradox is not a contradiction. A paradox is a statement that is seemingly absurd, yet true in fact. At first glance it may seem like a contradiction but with further research it could be explained away.

Matthew speaks of two demon possessed men while the other Gospels speaks of one how can that be explained . Well Matthew focus on the fact that there where two but Mark and Luke focus on the one who got saved.

What appears like a contradiction in scripture can easily be explained by further study on the Greek , Hebrew , other reference in scripture or thinking things through . Other example

Did Satan moved David to number Israel or was it God.

"Now Satan stood up against Israel, and moved David to number Israel.— 1Chr 21:1 (NKJV)

"Again the anger of the Lord was aroused against Israel, and He moved David against them to say, "Go, number Israel and Judah." 2Sam 24:1 (NKJV)

Why it can't be both? Why can't the devil be use by God to move David to number Isreal? The devil maybe our enemy but he is God's puppet.

Who moved Satan to go against Job wasn't it God.

Job 1 (NKJV)⁷ And the Lord said to Satan, "From where do you come?" So Satan answered the Lord and said, "From going to and fro on the earth, and from walking back and forth on it."⁸ Then the Lord said to Satan, "Have you considered My servant Job, that there is none like him on the earth, a blameless and upright man, one who fears God and shuns evil?"
